WELCOME FROM THE PRESIDENT

Dear Colleagues, Friends and Guests!

Welcome to beautiful Scottsdale Arizona to the SGS 40th Annual Scientific Meeting. We are excited to return to this inspiring venue with a packed scientific program reflecting an over-arching theme of the practice of evidence-based medicine. There is no better place to catch up with colleagues and friends and to engage in a variety of discussions in the various gynecologic surgery disciplines.

The scientific program is outstanding and there is something for everyone. The post-graduate courses include a Pelvic Anatomy hands on course led by Drs. Cornella and Kho, a Multimodal Post-operative Pain Management course led by Dr. Steinberg as well as a joint SGS-ABOG sponsored workshop titled, "Building

Evidence-Based Medical Skills in Gynecology," led by Drs. Sung and Rahn. Dr. Iglesia, Program Committee Chair and Program Committee team have reviewed over 130 abstracts and nearly 30 videos. As a result we have 21 high powered oral presentations, 21 oral poster presentations and over 40 poster presentations. In addition, there will be numerous video presentations which will be available for viewing at your leisure.

Expert speakers include Dr. Barbara Levy, Vice President, Health Policy, ACOG, addressing the important issue of "Surviving and Thriving as a Gynecologic Surgeon in the Time of the Affordable Care Act," Dr. Clifford Ko, Director of the ACS, National Surgical Quality Improvement Program (NSQIP), "Finding the Way to Achieve Surgical Quality" and a very special choice for the Distinguished Surgeon Award.

Lively debates are planned on such topics as Cosmetic Gynecology and Robotic Surgery for Benign Hysterectomy. Roundtables discussions include topics such as the do's and don'ts of mesh placement and removal, perioperative management of the geriatric patient, transvaginal ultrasound, fecal incontinence and functional MRI to name a few.

And don't forget to relax and enjoy the beautiful surroundings with a round or 2 of golf, tennis, a desert 4-wheel drive tour and of course, interact with friends and make new ones at the Presidential and Awards reception Monday night and the Fiesta Margarita and Inaugural SGS Foundation celebration on Tuesday night.

I would like to thank the Program Committee and our Executive Director, Ms. Nancy Frankel for helping the Society and me have a very productive year. It has been an honor to serve the SGS as its President, and I hope that you enjoy the meeting and have a wonderful time in Scottsdale!

Sincerely,

Holly E. Richter, PhD, MD.,
President

CME INFORMATION

PROGRAM DIRECTOR - Cheryl B. Iglesia, MD

TARGET AUDIENCE - Gynecologic Surgeons

PROGRAM GOAL

The goal of the annual scientific meeting is to provide member and non-member attendees with a forum for the latest and most innovative developments in gynecologic surgery. This will be accomplished through lecture, slide, video and poster presentations. Oral presentations are followed by a discussion and a question and answer session

LEARNING OBJECTIVES

At the conclusion of the meeting attendees should be able to:

- 1) Choose when the robotic approach is indicated for benign gynecology and consider cost-benefit analysis
- 2) Recognize that shared decision making is a necessary part of the informed consent process
- 3) Summarize the limited outcome data of recent gynecologic surgery technologies
- 4) Apply knowledge of pelvic anatomy to minimize peri-operative complications
- 5) Classify potential ethical issues surrounding elective and cosmetic gynecologic procedures
- 6) Identify national gynecologic surgical outcome database and registry initiatives

Accreditation Statement

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of Oakstone Publishing, LLC and the Society of Gynecologic Surgeons. Oakstone Publishing, LLC is accredited by the ACCME to provide continuing medical education for physicians

AMA PRA Category 1 Credits™

Oakstone Publishing, LLC designates this live activity for a maximum of 25.5 *AMA PRA Category 1 Credit(s)™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

***16.25 credits for the Annual Meeting**

Disclosure Information

Oakstone Publishing, LLC adheres to ACCME Essential Areas, Standards, and Policies regarding industry support of continuing medical education. Disclosure of the Activity Director(s), Planning Committee Members(s), Speaker(s), Author(s) or Anyone in a Position to Control Content regarding commercial relationships will be made known at the activity. Speakers are required to openly disclose any limitations of data and/or any discussion of off-label, experimental, or investigational uses of drugs or devices in their presentations

Resolution of Conflicts of Interest

In accordance with ACCME Standards for Commercial Support of CME, Oakstone Publishing, LLC will implement mechanisms, prior to the planning and implementation of this CME activity, to identify and resolve any conflicts of interest for all individuals in a position to control content of this CME activity

Claiming your CME Credits

You will receive an evaluation survey by email within one week after the meeting. In order to receive CME credits evaluations must be completed. The evaluation forms are essential for future programs. Your comments are will help identify future speakers and topics

TELINDE LECTURE

Clifford Y. Ko, MD

Director, American College of Surgeons

National Surgical Quality Improvement Program (NSQIP)

Robert and Kelly Day Professor of Surgery

University of California, Los Angeles

Los Angeles, California

Dr. Clifford Ko is the Director of the Division of Research and Optimal Patient Care at the American College of Surgeons. He oversees all the quality improvement programs, including the Bariatric Surgery Accreditation Program, the Cancer Accreditation program, the Trauma Verification program, the new Surgeon Specific Registry, and the American College of Surgeons National Surgical Quality Improvement Program (ACS NSQIP). He also serves as the Director of ACS NSQIP.

Dr. Ko's work focuses on surgical quality of care, including quality measurement, process improvement, and quality maintenance. He has received millions of dollars in grant funding to study quality of care from sources that include the National Institutes of Health, the Centers for Disease Control and Prevention, the American Cancer Society, the Centers of Medicare and Medicaid Services, the Agency for Healthcare Research and Quality, and the Veterans Administration. He has published over 275 manuscripts and has written more than 20 book chapters. He is frequently invited to speak nationally and internationally and has served on numerous advisory panels.

Clinically, Dr. Ko is a double board-certified surgeon with a practice focusing on patients with colorectal cancer. At UCLA, he is the Robert and Kelly Day Professor of Surgery, has won the Faculty Teaching Award three times, and is recognized as one of the Best Doctors in America. He is also Professor of Health Services at the UCLA School of Public Health.

Dr. Ko received his B.A (Biology), M.S. (Biological/Medical Ethics), and M.D. from the University of Chicago. He also received a Masters of Science Degree (Health Services/Outcomes Research) from the University of California, Los Angeles during his time as a Robert Wood Johnson Clinical Scholars Fellow at UCLA and RAND. Dr. Ko completed his General Surgery Residency at UCLA Medical Center, and obtained specialty training at the Lahey Clinic in Boston in Colon and Rectal Surgery.

On Tuesday, at 10:30 am, Dr. Ko will discuss **"Finding the way to achieve surgical quality"**
