## Join the SGS 2019 Twitter Conversation

During our 2019 conference all meeting participants are invited to join in the Twitter conversations. Post comments, reports and feedback on the meeting. All you need is a mobile device with an installed Twitter app or a web browser.

### Setting up a Twitter Account

Go to [www.twitter.com](http://www.twitter.com) and sign up. You will need to enter information and accept terms of service. You will also need to verify your email address. Twitter provides a wizard set up and asks you to follow five people. It states that it is optional though it does not give you an option to skip it. If you wish to follow the messages at the conference, search for #SGS2019.

### Install a Twitter Application on your mobile device

Go to <http://twitter.com/download> and select your device. If you do not wish to install an app for Twitter, you can still use Twitter within your web browser.

### Sending a Tweet

You can do this with the Twitter app on your mobile device or on the Twitter website. On the website you can post a tweet by clicking on Home and then type inside the left-hand box that says "compose new tweet". You are limited to 280 characters in a single tweet. At the end of each message you must put #SGS2019.

For example:

Keynote speaker Dr. Smith starting now standing room only - #SGS2019

### Please follow these guidelines:

- Messages must be about the meeting content or activities
- Messages cannot contain personal information
- Messages cannot be a personal attack against another person

We hope that you will join the Twitter conversation by following @Gynsurgery and connect using #SGS2019.

## —Fellow Scholars—

## — Message from the President —

Greetings SGS colleagues! As the President of the Society of Gynecologic Surgeons it is my distinct honor to welcome you to the 45th Annual Scientific Meeting in Tucson, Arizona from March 31 – April 3, 2019. The JW Marriott Tucson Starr Pass Resort is a world class destination where you can come bask in the incredible beauty of a forest of saguaros, see the sun set in a blaze of colors, and experience an endless variety of outdoor adventures. Dr. Brittany (Star) Hampton has led the SGS Scientific Program Committee to assemble an exciting, diverse program. The educational program along with the social events will straddle the perfect balance of scholarship and camaraderie we have come to expect at SGS meetings!

We have four practical post-graduate courses that you can choose to attend before the meeting. The topics include Hands on Laparoscopic Suturing Simulation, Quality Improvement Bootcamp, Strategies for Fibroid Management, and Sex and Surgery. Sunday evening, the Women's Council will host a seminar on "Sponsorship and Mentorship: How to Move Women from the Pipeline to Positions of Leadership" led by Drs. Kim Kenton, Catherine Matthews, and Mark Walters.

Building on Dr. John Gebhart's theme of Leadership, my focus has been "Looking Forward – Achieving Excellence in Gynecologic Surgery for Ourselves, Our Learners, and Our Patients!". Each of the distinguished speakers will broaden our perspectives that should embolden our views of the future gynecologic surgeon. Dr. Gary Dunnington, the Jay L. Grosfeld Professor and Chair for the Department of Surgery at Indiana University School of Medicine, will be our keynote lecturer. As a former president of the Association for Surgical Education and one of the five founding faculty for the ACS Surgeons as Educators course, he is perfect to teach us about "Measuring and Improving Performance in Surgical Training". Our TeLinde Lecturer is Dr. Marcela G. del Carmen, a Professor of Obstetrics and Gynecology in the Division of Gynecologic Oncology at Massachusetts General Hospital and is currently the Chief Medical Officer for the Massachusetts General Physicians Organization. She will talk about an area she is very passionate about, "Health Care Disparities in Gynecologic Oncology Surgery".

We will have two panel discussions this year. The first will be the presidents from each of the major organizations (SGO, ACOG, SRS, AAGL, and AUGS) talking about how we can work together to shape the "Future of Gynecologic Surgery". The second panel discussion will be distinguished legends of SGS talking about "Learning from our Mentors".

There will be two special guest lecturers as well. Dr. Cheryl Iglesia will talk about "Female Genital Cosmetic Surgery and the Role of Energy-Based Therapies: Hype, Hope, and a Way Forward". Dr. Sean Dowdy will give us an update on the latest recommendations regarding "Enhanced Recovery after Gynecologic Surgery". And finally, we will host the 3rd annual mentorship roundtable session. It's a wonderful opportunity to learn from the legends in Gynecologic Surgery!

The enthusiasm to be a part of our wonderful organization continues to skyrocket! We had a record number of abstract and video submissions this year. This will continue to drive the quality of presentations to enhance our learning opportunity. It is truly an honor to represent this society and I look forward to hosting all of you in Tucson!

Sincerely,

A handwritten signature in black ink, appearing to read "Rajiv B. Gala, MD".

Rajiv B. Gala, MD  
SGS President

## — CME Information —

**Program Chair: B. Star Hampton, MD**

**Target Audience: Gynecologic Surgeons**

**Program Goal:** The goal of the annual scientific meeting is to provide member and non-member attendees with a forum for the latest and most innovative developments in gynecologic surgery. This will be accomplished through lecture, slide, video and poster presentations. Oral presentations are followed by a discussion and a question and answer session.

---

**To Obtain Your CME:** CME evaluations will be conducted electronically. You will receive an email within one week following the end of the SGS meeting requesting you to fill out an evaluation to attain your CME credits. Even if you do not wish to request CME please fill out the evaluation questions. Your feedback is critical to us to help identify topics and speakers of interest to you. In order to receive CME credits, evaluations must be completed.

**If your preferred email address is not in your current SGS profile, please stop at the SGS registration desk during the meeting to update your email address. After the meeting, email [jordan@sgsonline.org](mailto:jordan@sgsonline.org) to update your contact information.**

---

### **Learning Objectives**

At the conclusion of the meeting attendees should be able to:

1. Evaluate evidence regarding when vaginal, laparoscopic or robotic approaches to gynecologic surgery are indicated.
2. Recognize the components needed to deliver patient centered care.
3. Summarize outcome data of new and innovative gynecologic surgery technologies.
4. Apply knowledge of pelvic anatomy and perioperative care best practices to minimize peri-operative complications.
5. Practice surgical teaching and mentorship strategies that maximize the educational value to the next generation of surgeons.
6. Describe how to conduct and evaluate high quality surgical education research to maximize trainee education.

## — CME Information —

7. Identify health care disparities within gynecologic surgery to minimize biases that can occur in taking care of women of all backgrounds.

### **ACCREDITATION**

**Accreditation Statement:** This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Southern Medical Association and the Society of Gynecologic Surgeons. The Southern Medical Association is accredited by the ACCME to provide continuing medical education for physicians.

**Designation Statement:** Southern Medical Association designates this Live activity for a maximum of *26.25 AMA PRA Category 1 Credit(s)™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The 26.25 credits are inclusive of 1) 12.75 credits for Scientific Meeting 2) 2.0 credits for VideoFest 3) 1.00 credit for Academic Roundtable 4) 1.00 credit for Mentorship for Career Development 5) 3.75 credits for Postgraduate Course 2, 3 and 4 6) 8.50 credits for Postgraduate Course 1 7) 1.00 credit for Monday and Tuesday morning Poster Session 8) 1.00 credit for Monday Breakfast Symposium.

### **Disclosure and Conflicts of Interest**

**Disclosure:** Southern Medical Association adheres to ACCME Essential Areas, Standards, and Policies regarding industry support of continuing medical education. Disclosure of the Activity Director(s), Planning Committee Member(s), Speaker(s), Author(s) or Anyone in a Position to Control Content regarding commercial relationships will be made known at the activity. Speakers are required to openly disclose any limitations of data and/or any discussion of off-label, experimental, or investigational uses of drugs or devices in their presentations.

### **Resolution of Conflicts of Interest**

In accordance with ACCME Standards for Commercial Support of CME, Southern Medical Association will implement mechanisms, prior to the planning and implementation of this CME activity, to identify and resolve any conflicts of interest for all individuals in a position to control content of this CME activity.

Dr. Dunnington came to IU after 15 years at the University of Southern Illinois, where he served since 2000 as the Professor and Chair of Surgery. Prior to SIU, he was Associate Professor of Surgery and Senior Associate Dean for Academic Affairs for the USC School of Medicine.

Dr. Dunnington's area of clinical practice is surgical oncology with a focus in breast and endocrine disease. He has developed two multidisciplinary breast centers, first at the USC Norris Cancer Center and at SIU and served as Medical Director of both centers. He has served as principle or co-investigator on research projects totaling greater than 5.6 million dollars and has more than 145 peer-reviewed publications.

He has received a total of 19 institutional teaching awards, having been named Outstanding Faculty Teacher of the Year nine times at four institutions, including the 2010 Outstanding Teacher of the Year award for the SIU School of Medicine and the 2011 Outstanding Teacher of the Year award at the university level. Also, in 2010, he received the AOA Robert Glazer Distinguished Teacher award from the AAMC. He is a past president of the Association for Surgical Education and received the 1999 Distinguished Educator Award from this organization. He is one of the five founding faculty of the ACS Surgeons as Educators course and served as a faculty member for 15 years. He has been a visiting professor of education to departments of surgery in 65 medical schools in North America and to 75 surgical training programs.

***Dr. Dunnington will present “Measuring and Improving Performance in Surgical Training” on Monday at 10:05 AM.***

**Sean C. Dowdy, MD**  
**Professor and Vice-Chair, Department of**  
**Obstetrics and Gynecology**  
**Chair, Division of Gynecologic Oncology**  
**Mayo Clinic**  
**Rochester, MN**

Dr. Sean C. Dowdy received a Bachelor of Arts in English from Cornell University in 1993 and graduated from Medical School at Georgetown University in 1997. He completed his residency in Obstetrics and Gynecology at Mayo Clinic, Rochester in 2001, where he went on to complete his fellowship training in Gynecologic Oncology in 2004. In 2005 he received advanced training in laparoscopic oncology in Berlin, Germany, and Lille, France, under the mentorship of Drs. Achim Schneider, Christhardt Kohler, and Eric LeBlanc.

He currently serves as Professor and Chair of the Division of Gynecologic Oncology and Vice-Chair of the Department of Obstetrics and Gynecology. He is Chair of Surgical Quality at Mayo Clinic, Rochester, leading quality improvement and safety initiatives for all surgical subspecialties. His research activities have focused on endometrial and ovarian cancer, and he is a member of the Executive Committee of the Mayo Clinic Ovarian Cancer SPORE. His current research focuses on the study of quality and value in surgery; he has published over 200 peer reviewed publications.

Dr. Dowdy is a member of many national and international medical societies, including Chair of the Quality and Outcomes Taskforce for the Society of Gynecologic Oncology, Board member of ERAS USA, former Board member of Society of Gynecologic Surgeons, and former Program Chair for the Society of Pelvic Surgeons.

***Dr. Dowdy will present “AHRQ Safety Program for Improving Surgical Care and Recovery in Gynecologic Surgery” on Monday at 11:15 AM.***

## —Special Guest Lecture—

**Cheryl B. Iglesia, MD**  
**Professor in the Departments of Ob/Gyn**  
**and Urology**  
**Georgetown University School of Medicine**  
**Washington, DC**

Dr. Cheryl B. Iglesia, Professor in the Departments of Ob/Gyn and Urology at Georgetown University School of Medicine, is a double-board certified Obstetrician/Gynecologist and Female Pelvic Medicine and Reconstructive Surgery specialist. Since 1999, Dr. Iglesia has been the inaugural Director of the Section of Female Pelvic Medicine and Reconstructive Surgery (FPMRS) at MedStar Washington Hospital Center/MedStar National Center for Advanced Pelvic Surgery (NCAPS) and is the founding director of the MedStar/Georgetown accredited FPMRS fellowship program.

Dr. Iglesia is nationally and internationally recognized for advancing surgical techniques in reconstructive pelvic surgery. Among her many roles, Dr. Iglesia is the current Chair of the Pelvic Floor Disorders Network (PFDN) Advisory Board at the National Institute for Child Health and Human Development (NICHD) and is a past chair of both the Committee for Gynecologic Practice at the American Congress of Obstetricians and Gynecologists (ACOG) and the ACOG Patient Education Board. She has served as Program Chair for the Society of Gynecologic Surgeons (SGS) and the American Urogynecologic Society (AUGS) and has also served on the AUGS Board of Directors. Since 2011, Dr. Iglesia is an appointed special governmental employee for the ObGyn Devices Panel at the US FDA. Her awards and accolades include the SGS President's Award for Outstanding Research 2013 and SGS Best Surgical Video Award 2011; however, she is most proud of her teaching awards at Georgetown, in particular, the Anthony Scialli Chief Resident award for excellence in teaching and resident advocacy and the CREG National Faculty Award for excellence in resident education. She is grateful for the opportunity to train and mentor some of the best and brightest fellows, residents and students and for the privilege of working with her talented and gifted partners and team at MedStar NCAPS for the past 20 years.

***Dr. Iglesia will present “Female Genital Cosmetic Surgery and the Role of Energy-Based Therapies: Hype, Hope and a Way Forward” on Monday at 12:55 PM.***

7:00 PM - 10:00 PM  
Ania Terrace & Lawn***

Enjoy some very special foods, music, dancing, and fun as we raise awareness and funds directed towards the SGS Mission to Advance Research and Education.

Golf tournament winners will be announced.

## **\*\*New This Year\*\***

Come see the “Hungry Surgeons” forage for food! Participants will strap on a bungee cord and dive into a pool of balls to collect the most balls in a specified period of time. There will be several qualifying heats to crown the SGS “Hungriest Surgeon”. Cheer for your favorite surgeon or institution. Purchase raffle tickets to support a team or an individual.

Raffle ticket purchase will benefit the SGS SHARE program. One prize will be awarded to the winning raffle ticket drawn for each heat and the finale.

*Tickets for the Tuesday night event  
are available at the SGS Registration Desk.*

**Michael P. Aronson  
Educational Scholarship  
Recipient *Erin Brown, DO***

Dr. Erin Brown is originally from Dallas, Texas. She attended medical school at Texas College of Osteopathic Medicine at The UNT Health Sciences Center in Fort Worth, Texas, and then moved to Oklahoma City to receive her residency training in Obstetrics and Gynecology at The University of Oklahoma Health Sciences Center.

After residency, she joined Oklahoma State University's Department of OB/GYN and currently serves as Clinical Assistant Professor for the residency program at OSU in Tulsa, Oklahoma. She enjoys the field of academic medicine and contributing to resident learning more specifically with her roles of Simulation Coordinator and Wellness Coordinator.

She has a passion for gynecologic surgery and using those skills to help those in need. Dr. Brown has been on several surgery mission trips including Ecuador and Guatemala, and is excited about some new opportunities in Ghana.
