

## *Honor Your Mentor*

### **Michael H. Heit, MD, PhD**

*Thank you Mike for your mentorship and friendship throughout the years. Your patience and altruism have helped shape me and many other aspiring gynecologic surgeons.*

Miles

## *Honor Your Mentor*

### **Kimberly Kho, MD**

*Thank you Kimberly Kho, a model surgeon, clinician, teacher. Your impact transcends the professional.*

Forever changed - Jessica, Anne, Joe & Emily

## *Honor Your Mentor*

**“Kip” Malcolm W.  
Mackenzie, MD**

*With sincere gratitude towards a role-  
model educator*

Theodoros Kapetanakis, MD

# *Honor Your Mentor*

## **Robert Maier, MD**

*Dr. Maier had an unending commitment to his residents. His expertise in surgical pathology brought a depth to his mentoring that was invaluable.*

John W. Riggs, MD

# *Honor Your Mentor*

## **Miles Murphy, MD**

*And I would walk 500 "Miles" Just to retract for you for hours and hours.*

The Abington Proclaimers (Perrin, Danielle, Colby, Akira, Lisa and Sang)

# *Honor Your Mentor*

## **Miles Murphy, MD**

*Our relationship started with you as my fellow, but you quickly became my friend and mentor. It's like I always say - if everybody was more like Miles, the world would be a better place.*

Pat

# *Honor Your Mentor*

## **Deborah L. Myers, MD**

*Thanks for being a talented and selfless leader, building our group and Urogynecology in RI, and seeing and growing the best in us. We love you!*

Brown Urogynecology Faculty

# *Honor Your Mentor*

## **Mitch Schuster, MD**

*Dear Mitch, Your selfless support of the fellows and program at UAB is so appreciated. With admiration and appreciation.*

UAB Urogyn faculty and fellows

## *Honor Your Mentor*

### **Carl W. Zimmerman, MD**

*Carl, Thank you as always for your continued mentorship. Congratulations on this well deserved honor becoming our new SGS president*

Seth Finkelstein, MD

# *Honor Your Mentor*

## **Carl W. Zimmerman, MD**

*A great vaginal surgeon, great teacher and great person. Thank you Dr Carl Zimmerman for teaching us to become competent and strong vaginal surgeons and pelvic anatomists as FPMRS fellows.*
