

**MATTHEW THOMAS SIEDHOFF**

**CURRICULUM VITAE**

**9/11/2021**

**PROFESSIONAL CONTACT INFORMATION**

8635 West Third Street, Suite 160W  
Los Angeles, CA 90048  
(310) 423-1283 [academic office]  
(310) 423-9268 [clinic]  
(310) 423-9777 [fax]  
(917) 687-4094 [mobile]  
[Matthew.Siedhoff@cshs.org](mailto:Matthew.Siedhoff@cshs.org)

**EDUCATION**

1997-2001 Bachelor of Arts (BA)  
Covenant College, Lookout Mountain GA  
Fields: Biology (major), Psychology (minor), Art (minor)

2001- 2005 Doctor of Medicine (MD)  
Stanford University School of Medicine, Stanford CA

2005-2009 Residency in Obstetrics and Gynecology  
New York University School of Medicine, New York NY

2009-2011 Fellowship in Minimally Invasive Gynecologic Surgery  
University of North Carolina School of Medicine, Chapel Hill NC  
Department of Obstetrics and Gynecology

2009-2011 Masters of Science in Clinical Research (MSCR)  
University of North Carolina Gillings School of Public Health, Chapel Hill NC  
Department of Epidemiology

**BOARD CERTIFICATION**

1/2012- Diplomat, American Board of Obstetrics and Gynecology (ABOG)  
6/2021- ABOG Focused Practice in Minimally Invasive Gynecologic Surgery (MIGS)

**LICENSURE**

2007-2009 New York State Office of the Professions, License 247147  
2009-2016 North Carolina Medical Board, License 2009-00884  
2012- Fellow, American Congress of Obstetricians and Gynecologists  
2015- The Medical Board of California, Physician and Surgeon License C138819

**PROFESSIONAL EXPERIENCE**

**Present position:**

2016- Associate Professor, Clinical Scholar Track  
Vice Chair for Gynecology  
Department of Obstetrics and Gynecology, Staff Physician II

Division of Minimally Invasive Gynecologic Surgery  
Fellowship in Minimally Invasive Gynecologic Surgery, Associate Program Director  
Cedars-Sinai Medical Center, Los Angeles CA

2016- Health Sciences Associate Clinical Professor, Step II  
University of California Los Angeles (UCLA) David Geffen School of Medicine

**Previous position:**

2011-2015 Assistant Professor  
Department of Obstetrics and Gynecology  
Division of Minimally Invasive Gynecologic Surgery, Division Director  
Fellowship in Minimally Invasive Gynecologic Surgery, Fellowship Program Director  
University of North Carolina (UNC), Chapel Hill NC

**PROFESSIONAL ACTIVITIES**

**Committee Services:**

**CSMC:**

2016-2019 Center for Minimally Invasive Gynecologic Surgery, Director  
2016-2019 Women's Guild Simulation Center for Advanced Clinical Skills, Co-director  
2016-2018 Operating Room Management Committee  
2016- Performance Improvement Committee, OB/GYN Department  
2017-2019 Enhanced Recovery After Surgery (ERAS) Committee  
2017-2018 Medical Staff Leadership Program  
2018- Perioperative Services and GI Lab Scheduling and Block Management Subcommittee  
2019- Medical Staff Liaison, Cedars-Sinai Department of OB/GYN  
2019- Quality and Peer Review Committee, Cedars-Sinai Department of OB/GYN  
2019- Chief of Staff Advisory Council (COSAC)  
2019- Task Force on Proctoring, Cedars-Sinai Operating Room Services  
2019- Advanced Medical Staff Leadership Program  
2019- Endometriosis Program, Director  
2021- Co-Chair, Quality and Peer Review Committee, Cedars-Sinai Department of OB/GYN  
2021 Medical Staff Leadership Development (MSLD), leadership task force  
2021- Faculty Leadership Development Program, J3P Healthcare Solutions  
2021- Program Evaluation Committee, Female Pelvic Medicine and Reconstructive Surgery

**Other Committee Services:**

2007-2008 Housestaff Council Department Representative, NYU  
2005-2008 Committee on Interns and Residents, Bellevue Hospital Center  
2010-2011 Ambulatory Surgery Center Planning Committee, UNC  
2010-2011 Surgical Services Product Committee, Trocar and Endomechanical Subcommittee, UNC  
2011 TeamSTEPS Coach, UNC  
2011-2015 Surgical Services Product Committee, UNC  
2011-2015 OB/GYN Residency Education Committee, UNC  
2011-2015 Gynecology Residency Rotation Director, UNC  
2011-2015 Fibroid Care Clinic Director, UNC  
2011-2019 Research Committee, AAGL  
2012-2014 Fellowship in Minimally Invasive Gynecologic Surgery, Associate Program Director, UNC  
2012 Abstract/Video Grading Committee, 41<sup>st</sup> Annual AAGL Global Congress on Minimally Invasive Gynecologic Surgery, Las Vegas, NV.  
2013-2014 Electronic health record system-wide transition, department representative, UNC

2013 Abstract/Video Grading Committee, 42<sup>nd</sup> Annual AAGL Global Congress on Minimally Invasive Gynecologic Surgery, Washington, DC.

2013 Jerome Hoffman Award Review Committee. 42<sup>nd</sup> Annual AAGL Global Congress of Minimally Invasive Gynecology. Washington, DC.

2013-2016 Center of Excellence in Minimally Invasive Gynecology (COEMIG) Review Committee, AAGL

2013-2017 International Society of Gynecologic Endoscopy (ISGE) Board Member

2014 Kaizen task force, 4<sup>th</sup> floor operating rooms, UNC

2014 Assistant Professor Advisory Committee, UNC

2014 AAGL Tissue Extraction Task Force

2014 IRCAD Award Committee, 43<sup>rd</sup> Annual AAGL Global Congress on Minimally Invasive Gynecologic Surgery, Vancouver, BC.

2014 Abstract/Video Grading Committee, 43<sup>rd</sup> Annual AAGL Global Congress on Minimally Invasive Gynecologic Surgery, Vancouver, BC.

2014-2015 OB/GYN Medical Directors Committee, UNC

2014-2015 Hillsborough Campus Transition Committee, UNC

2014-2015 Hillsborough Medical Office Building Governance Steering Committee, UNC

2014-2015 Minimally Invasive Gynecologic Surgery Division Director, UNC

2014-2015 Fellowship in Minimally Invasive Gynecologic Surgery Program Director, UNC

2014-2016 FMIGS Board, Trustee

2014-2018 FMIGS Board, Finance Committee (Chair, 2016)

2015-2018 FMIGS Fellows Pelvic Research Network (FPRN) Senior Advisory Board

2015-2018 FMIGS Board, Liaison Committee

2015-2019 FMIGS Board, Education Committee (Chair, 2015-2017)

2015 Abstract/Video Grading Committee, 44<sup>th</sup> Annual AAGL Global Congress on Minimally Invasive Gynecologic Surgery, Las Vegas, NV.

2015 Scientific Program Committee, 44<sup>th</sup> Annual AAGL Global Congress on Minimally Invasive Gynecologic Surgery, Las Vegas, NV.

2016 Abstract/Video Grading Committee, 45<sup>th</sup> Annual AAGL Global Congress on Minimally Invasive Gynecologic Surgery, Orlando, FL.

2016 FMIGS Board, Secretary-Treasurer

2016-2018 FMIGS board, Bylaws Committee

2017 Abstract/Video Grading Committee, 46<sup>th</sup> Annual AAGL Global Congress on Minimally Invasive Gynecologic Surgery, Washington, DC.

2017 FMIGS Board, Vice President

2017-2018 AAGL Task Force on Anti-Harassment, Diversity, and Incident Reporting

2018 Abstract/Video Grading Committee, 47<sup>th</sup> Annual AAGL Global Congress on Minimally Invasive Gynecologic Surgery, Las Vegas, NV.

2018 FMIGS Board, President

2018-2019 AAGL Medical Specialty Task Force

2018-2019 AAGL Diversity and Inclusion Committee

2018-2019 AAGL Grievance Committee

2019 Scientific Program Committee, 48<sup>th</sup> Annual AAGL Global Congress on Minimally Invasive Gynecologic Surgery, Vancouver, BC.

2019 FMIGS Board, Immediate Past-President

2019 FMIGS Board Nominations Committee, Chair

2019- AAGL Essentials in Minimally Invasive Gynecology (EMIG) Steering Committee, Didactic Vice Chair

2019- FMIGS Board Site Review and Compliance Committee

2020 Abstract/Video Grading Committee, 49<sup>th</sup> Annual AAGL Global Congress on Minimally Invasive Gynecologic Surgery.

2020 Golden Laparoscope Award Committee, 49<sup>th</sup> Annual AAGL Global Congress on Minimally Invasive Gynecologic Surgery.

2021 AAGL/FMIGS Collaborative Education Committee

2021 Abstract/Video Grading Committee, 50<sup>th</sup> Annual AAGL Global Congress on Minimally Invasive Gynecologic Surgery.

**Professional Associations/Society Memberships:**

2005- American College of Obstetricians and Gynecologists (ACOG)  
2007- AAGL Elevating Gynecologic Surgery (AAGL)  
2009-2016 International Pelvic Pain Society (IPPS)  
2013- International Society of Gynecologic Endoscopy (ISGE)  
2016-2018 Society for Simulation in Healthcare (SSH)  
2018- Society of Gynecologic Surgeons (SGS)

**Editorial Services:**

2009- Manuscript peer review: *Obstetrics and Gynecology* (editorial board, >100 reviews annually)  
2010- *Journal of Minimally Invasive Gynecology*, (> 10 reviews annually)  
2012-2015 *Gynecologic Surgery*  
2013 *Contraception and Reproductive Medicine*  
2013 *British Journal of Obstetrics and Gynecology*  
2013-2015 *Fertility and Sterility*  
2013-2015 *Journal of Robotic Surgery*  
2014 *Minerva Ginecologica*  
2014 *International Wound Journal*  
2015 *Journal of Medical Case Reports*  
2015 *PLOS One*  
2015 *New England Journal of Medicine*  
2015 *JAMA*  
2015- *American Journal of Obstetrics and Gynecology* (5-10 reviews annually)  
2015- *Journal of Minimally Invasive Gynecology*, Editorial Board  
2016-2019 AAGL SurgeryU®, Editorial Board  
2016- *Current Opinion in Obstetrics and Gynecology*; Section Editor, Minimally Invasive Gynecology  
2020-2024 *Obstetrics and Gynecology*, Editorial Board

**Community Services:**

2017 Kaiser Northern California Residency Research Day, Faculty Judge  
2019- *Thrive Global*, Editor-at-Large

**HONORS AND SPECIAL AWARDS**

1997-2001 Maclellan Scholar of Academics and Leadership. Covenant College; Lookout Mt, GA.  
1997-2001 National Merit Finalist and Scholar. Covenant College; Lookout Mt, GA.  
1998-2001 Koonce Premedical Sciences Scholarship. Covenant College; Lookout Mt, GA.  
2000-2001 Officer's Scholarship and Honorarium. Covenant College; Lookout Mt, GA.  
2001 Top grade point average (Valedictorian). Covenant College; Lookout Mt, GA.  
2002 American College of Rheumatology Summer Research Preceptorship. Children's Hospital Central California; Madera, CA.  
2003 Medical Scholars Fellowship. Stanford University School of Medicine; Stanford, CA.

- 2003 American College of Surgeons Medical Student Program. Stanford University School of Medicine; Stanford, CA.
- 2004 Basic Science Research Fellowship. Howard Hughes Medical Institute; Chevy Chase, MD.
- 2005 Scientific Poster, 1<sup>st</sup> Place. 11<sup>th</sup> International Congress of the International Society of Craniofacial Surgery. Queensland, Australia. “Distinct Biologic Properties of FACS-Sorted Murine Adipose-Derived Mesenchymal Cells.”
- 2009 AAGL Resident for Special Excellence in Endoscopic Procedures, New York University Department of Obstetrics and Gynecology; New York, NY.
- 2009 Obstetrics and Gynecology Senior Resident Exemplary Teacher to Medical Students, 5<sup>th</sup> and 6<sup>th</sup> Rotation. New York University Department of Obstetrics and Gynecology; New York, NY.
- 2010 Jay M. Cooper Endowed Award, Best Paper on Minimally Invasive Gynecology, \$500 award and expenses paid to present at 39<sup>th</sup> AAGL Global Congress of Minimally Invasive Gynecology, Las Vegas, NV. “Incidence of Vaginal Cuff Dehiscence after Laparoscopic Closure with Bi-Directional Barbed Suture.”
- 2010 Surgical Film Festival (SURFF) selection for national DVD, “Laparoscopic Cuff Closure with Single Needle Unidirectional Barbed Suture.”
- 2011 Surgical Film Festival (SURFF) selection for national DVD, “Laparoscopic hysterectomy, resection of endometriosis nodule with ureterolysis, appendectomy.”
- 2012 Droegemuller-Bowes Award: Awarded by UNC residents to a junior faculty member who demonstrates excellence in teaching and commitment to patient care. University of North Carolina Department of Obstetrics and Gynecology; Chapel Hill, NC.
- 2013 Jay M. Cooper Endowed Award, Best Paper on Minimally Invasive Gynecology, \$500 award and expenses paid to present at 42<sup>nd</sup> AAGL Global Congress of Minimally Invasive Gynecology, Washington, DC. “Mechanical Bowel Preparation before Laparoscopic Hysterectomy: A Randomized Controlled Trial.”
- 2014 *Obstetrics and Gynecology*, rated in the top 10% of 1,224 referees in peer review for the journal based on number, quality, and timeliness of review.
- 2014 Surgical Film Festival (SURFF) selection for national DVD, “Laparoscopic myomectomy and concurrent cerclage.”
- 2015 *Journal of Minimally Invasive Gynecologic Surgery (JMIG)*, rated third among all ad-hoc review committee members, based on number, quality, and timeliness of review.
- 2015 Robert C. Cefalo Distinguished Professor Award: Awarded by the chief resident class to a faculty member who has excelled in teaching and mentoring during their 4 years. University of North Carolina Department of Obstetrics and Gynecology; Chapel Hill, NC.
- 2017 *Obstetrics and Gynecology*, rated in the top 10% of 1,198 referees in peer review for the journal based on number, quality, and timeliness of review.
- 2017 National Faculty Award for Excellence in Resident Education, Council on Resident Education in Obstetrics and Gynecology (CREOG). Cedars-Sinai; Los Angeles, CA.

- 2017 Cedars-Sinai Medical Center Golden Apple Award for Excellence in Teaching, Department of Obstetrics and Gynecology. Cedars-Sinai; Los Angeles, CA.
- 6/2017 Circle of Friends donation: The program provides patients, their families, and their friends with a way to translate gratitude into gifts in a provider's honor that advance healthcare in our community and around the world. Cedars-Sinai; Los Angeles, CA.
- 2018 Leon Fine Award in Translational Science, Cedars-Sinai, Los Angeles, CA. Co-Investigator.
- 2/2018 Circle of Friends donation. Cedars-Sinai; Los Angeles, CA.
- 2019 Leon Fine Award in Translational Science, Cedars-Sinai, Los Angeles, CA. Co-Investigator.
- 3/2019 Circle of Friends donation. Cedars-Sinai; Los Angeles, CA.
- 4/2019 Circle of Friends donation. Cedars-Sinai; Los Angeles, CA.
- 2019 *Obstetrics and Gynecology*, rated in the top 10% of 1,216 referees in peer review for the journal based on number, quality, and timeliness of review.
- 4/2020 L.A.'s Top Doctors 2020, Obstetrics and Gynecology, *Los Angeles Magazine*.
- 7/2020 #1 Ranked Gynecology Program on the West Coast, #7 in the United States, *U.S. News & World Report 2019-2020 Hospital Rankings*
- 2/2021 Circle of Friends donation. Cedars-Sinai; Los Angeles, CA.
- 3/2021 Circle of Friends donation. Cedars-Sinai; Los Angeles, CA.
- 2021 Cedars-Sinai Medical Center Golden Apple Award for Excellence in Teaching, Department of Obstetrics and Gynecology. Cedars-Sinai; Los Angeles, CA.
- 7/2020 #1 Ranked Gynecology Program in Los Angeles, #12 in the United States, *U.S. News & World Report 2019-2020 Hospital Rankings*
- 7/2021 #1 Ranked Gynecology Program in Los Angeles, #12 in the United States, *U.S. News & World Report 2020-2021 Hospital Rankings*
- 9/2021 Circle of Friends donation. Cedars-Sinai; Los Angeles, CA.

## **RESEARCH GRANTS AND FELLOWSHIPS RECEIVED**

### **Active/Ongoing:**

2018-2020

Cedars-Sinai Leon Fine Award in Translational Science. Single Cell Analysis of Epigenomes and Transcriptomes to Characterize the Biological Links between Endometriosis and Ovarian Cancer. \$100,000 (2019), \$100,000 (2020). Co-Investigator. Primary Investigator: Kate Lawrenson.

### **Inactive/Completed:**

2004-2005

Howard Hughes Medical Institute Research Fellowship. Osteogenic Differentiation Potential of Specific Subgroups Derived from a Novel Source for Craniofacial Tissue Regeneration—Adipose-Derived Mesenchymal Stromal Cells. \$34,000. Principal Investigator.

2004-2005

Stanford University School of Medicine Medical Scholars Fellowship. Osteogenic Differentiation Potential of FACS-Sorted Adipose-Derived Mesenchymal Stromal Cells. \$27,000. Principal Investigator.

2012-2015

North Carolina Translational and Clinical Sciences Institute, NIH CTSA program. Simulating Laparoscopic Vaginal Cuff Closure in Total Laparoscopic Hysterectomy. \$2,000. Principal Investigator.

2013-2015

NIH Project Number 1R01MH087619-01A1. Depression, Estrogen Replacement, and Cardiovascular Health in the Perimenopause. \$801,004. Co-Investigator. Primary Investigator: Susan Girdler.

2013-2015

Foundation of Hope Grant; North Carolina Translational and Clinical Sciences Institute, NIH CTSA program. Neurophysiology of Postpartum Depression in an Experimental Model of Pregnancy and Parturition. \$39,984 and \$2,000. Co-Investigator. Primary Investigator: Crystal Schiller.

2014-2019

Agency for Health Care Research and Quality (AHRQ) 1P50H502341801. Comparing options for management: patient-centered results for uterine fibroids (COMPARE-UF). A national study to develop a fibroid registry recruit and enroll women with uterine fibroids to determine decision on surgical management and outcomes of various surgical interventions across diverse populations. Co-Investigator, UNC site. Primary Investigator: Evan Meyers. Site lead: Wanda Nicholson.

#### **RESEARCH FOCUS AND INTERESTS:**

Clinical studies and trials on outcomes in laparoscopic surgery, endometriosis, uterine fibroids; simulation and education in minimally invasive gynecologic surgery; clinical contribution to basic science research in endometriosis.

#### **INVITED LECTURES AND PRESENTATIONS**

1. “Robotic-Assisted Laparoscopy in Gynecologic Surgery.” New York University Department of Obstetrics and Gynecology Grand Rounds. New York, NY. October 2008.
2. “Laparoscopic Cuff Closure with Quill Suture.” Surgical Film Festival (SURFF). Durham, NC. January 2010.
3. “Laparoscopic Lysis of Adhesions after Vaginal Hysterectomy.” Surgical Film Festival (SURFF). Durham, NC. January 2010.
4. “Chronic Pelvic Pain: A Fellow’s Perspective.” Mountain Area Health Education Center. Asheville, NC. April 2010.
5. “New Techniques in Laparoscopic Management of Fibroids.” University of North Carolina Department of Obstetrics and Gynecology Grand Rounds. Chapel Hill, NC. September 2010.
6. “Laparoscopic Cuff Closure with Single Needle Unidirectional Barbed Suture.” Surgical Film Festival (SURFF), Durham, NC. September 2010.

7. "New Techniques in Laparoscopic Management of Fibroids." University of North Carolina Annual Conference on Advances in Gynecology and Pelvic Pain. November 2010.
8. "Robotic Myomectomy." Intuitive Surgical-sponsored UNC robotic surgeon event. Greenville, NC. November 2010.
9. "Barbed Suture in Total Laparoscopic Hysterectomy." 8<sup>th</sup> Surgical Masters Course, Laparoscopic Institute of Gynecologic Oncology (LIGO). San Francisco, CA. September 2011.
10. "Laparoscopic Hysterectomy, Resection of Endometriosis Nodule with Ureterolysis, Appendectomy." Surgical Film Festival (SURFF). Durham, NC. October 2011.
11. "Vaginal Closure Devices." 10<sup>th</sup> Surgical Masters Course, Laparoscopic Institute of Gynecologic Oncology (LIGO). Atlanta, GA. September 2012.
12. "Laparoscopic Procedures for Pelvic Pain." 10<sup>th</sup> Surgical Masters Course, Laparoscopic Institute of Gynecologic Oncology (LIGO). Atlanta, GA. September 2012.
13. "Laparoscopic Treatment of Endometriosis." 10<sup>th</sup> Surgical Masters Course, Laparoscopic Institute of Gynecologic Oncology (LIGO). Atlanta, GA. September 2012.
14. "Laparoscopic Myomectomy and Morcellation Techniques." 10<sup>th</sup> Surgical Masters Course, Laparoscopic Institute of Gynecologic Oncology (LIGO). Atlanta, GA. September 2012.
15. "Diagnosis and Treatment of Gynecologic Causes of Chronic Pelvic Pain." International Pelvic Pain Society Annual Meeting. Chicago, IL. October 2012.
16. "The role of Surgical Videos in Surgical Education." 41<sup>st</sup> AAGL Global Congress on Minimally Invasive Gynecology. Las Vegas, NV, November 2012.
17. "Integrating Video-Based Education into Your Practice." 41<sup>st</sup> AAGL Global Congress on Minimally Invasive Gynecology. Las Vegas, NV, November 2012.
18. "Peritoneal Access – Techniques and Safety." 22<sup>nd</sup> Annual Workshop on Minimally Invasive Gynecology for Residents, Fellows and New MIG Specialists. Chicago, IL. March 2013.
19. "Laparoscopic Procedures for Endometriosis and Pelvic Pain." North Carolina Area Health Education Centers Program. Nash Health Care System. Rocky Mount, NC. March 2013.
20. "Massive patients, Massive Fibroids." 9<sup>th</sup> Annual AAGL International Congress on Minimally Invasive Gynecology. Cape Town, South Africa. April 2013.
21. "Sidewall Dissection for Advanced Endometriosis." 9<sup>th</sup> Annual AAGL International Congress on Minimally Invasive Gynecology. Cape Town, South Africa. April 2013.
22. "Access to the Peritoneum and Avoiding Complications." 11<sup>th</sup> Surgical Masters Course, Laparoscopic Institute of Gynecologic Oncology (LIGO). San Francisco, CA. April 2013.
23. "Endometrial Ablation, Supracervical Hysterectomy, How to Perform Laparoscopic Trachelectomy." 11<sup>th</sup> Surgical Masters Course, Laparoscopic Institute of Gynecologic Oncology (LIGO). San Francisco, CA. April 2013.

24. "Vaginal Closure Devices." 11<sup>th</sup> Surgical Masters Course, Laparoscopic Institute of Gynecologic Oncology (LIGO). San Francisco, CA. April 2013.
25. "Laparoscopic Procedures for Pelvic Pain and Endometriosis." 11<sup>th</sup> Surgical Masters Course, Laparoscopic Institute of Gynecologic Oncology (LIGO). San Francisco, CA. April 2013.
26. "Effect of Salpingectomy on Ovarian Reserve when Performed at the Time of TLH." 11<sup>th</sup> Surgical Masters Course, Laparoscopic Institute of Gynecologic Oncology (LIGO). San Francisco, CA. April 2013.
27. "Expanding the Scope: Innovations in GYN Surgery." Exploring the Spectrum of Women's Health: Opportunities for Prevention and Innovations in Treatment. Chapel Hill, NC. May 2013.
28. "Expanding the Scope: Innovations in GYN Surgery." Southeast Area Health Education Center. Wilmington, NC. June 2013.
29. "How to Get In: Tips and tricks for Safe Entry." Minimally Invasive Surgery Week Annual Meeting and Expo presented by the Society of Laparoscopic Surgeons. Washington, DC. August 2013.
30. "Tips and Tricks for Colpotomy and Cuff Closure: Selection of Uterine Manipulators and Suture." Minimally Invasive Surgery Week Annual Meeting and Expo presented by the Society of Laparoscopic Surgeons. Washington, DC. August 2013.
31. "All I Really Need to Know about Laparoscopy I Learned in Kindergarten." New York University Department of Obstetrics and Gynecology Grand Rounds. New York, NY. October 2013.
32. "Access to the Peritoneum and Avoiding Complications." 12<sup>th</sup> Surgical Masters Course in Total Laparoscopic Hysterectomy and Advanced Laparoscopic Procedures, Laparoscopic Institute for Gynecology and Oncology (LIGO). Atlanta, GA. October 2013.
33. "Endometrial Ablation, Supracervical Hysterectomy, How to Perform Laparoscopic Trachelectomy." 12<sup>th</sup> Surgical Masters Course in Total Laparoscopic Hysterectomy and Advanced Laparoscopic Procedures, Laparoscopic Institute for Gynecology and Oncology (LIGO). Atlanta, GA. October 2013.
34. "Laparoscopic Procedures for Pelvic pain and Endometriosis." 12<sup>th</sup> Surgical Masters Course in Total Laparoscopic Hysterectomy and Advanced Laparoscopic Procedures, Laparoscopic Institute for Gynecology and Oncology (LIGO). Atlanta, GA. October 2013.

141. "Peritoneal Access for Laparoscopy." SoCal MIGS Collaborative Virtual Meeting. September 2020.
142. "Racial Disparities in Gynecologic Surgery." Cedars-Sinai Department of Obstetrics and Gynecology, Grand Rounds. Los Angeles, CA. March 2021.
143. "Laparoscopic Management of Bladder and Ureter." Society of Gynecologic Surgeons (SGS) 47<sup>th</sup> Annual Scientific Meeting. Palm Springs, CA. June 2021.
144. "How to get your Manuscript Published." FMIGS Webinar Series, Q&A with Dr. Gary Frishman. June 2021.
145. "How to Manage a Site Visit." FMIGS Annual Program Directors Summit. August 2021.

## **TEACHING ACTIVITIES**

### Clinical Teaching

2005-2009	Medical students and junior residents on the wards, in clinic, in the operating room, NYU Langone Medical Center and Bellevue Hospital Center.
2009-2015	Medical students, residents, and fellows on the wards, in clinic, in the operating room, University of North Carolina Medical Center and UNC Hillsborough Hospital
11/2009	Live surgery: Total Laparoscopic Hysterectomy. University of North Carolina Annual Conference on Advances in Gynecology and Pelvic Pain. Chapel Hill, NC.
6/2010	Live surgery: Total Laparoscopic Hysterectomy. University of North Carolina Annual Conference on Advances in Gynecology and Pelvic Pain. Chapel Hill, NC.
6/2011	Live surgery: Total Laparoscopic Hysterectomy. National Youth Leadership Forum. Chapel Hill, NC.
6/2012	Live surgery: Total Laparoscopic Hysterectomy. National Youth Leadership Forum. Chapel Hill, NC.
7/2013	Live surgery: Total Laparoscopic Hysterectomy. National Youth Leadership Forum. Chapel Hill, NC.

- 11/2013 Live surgery: Laparoscopic hysterectomy. University of Cape Town Obstetrics and Gynecology Course on Women's Health: Old Concepts, New Ideas. Cape Town, South Africa.
- 2016- Medical students, residents, and fellows on the wards, in clinic, in the operating room, Cedars-Sinai Medical Center.
- 11/2017 Live surgery: Total laparoscopic hysterectomy and bilateral salpingectomy with contained vaginal morcellation. 46<sup>th</sup> Annual AAGL Global Congress on Minimally Invasive Gynecologic Surgery, Washington, DC.
- 6/2018 Live surgery: Laparoscopic multiple myomectomy. 7<sup>th</sup> International Conference and Live Gynecologic Endoscopic Surgery Workshop (ILES). Kochi, Kerala, India. June 2018.

### Non-Clinical Teaching

- 2002 Stanford University School of Medicine Teaching Assistant: Structure of Cells and Tissues.
- 2010-2012 Fellow research mentor: Austin Findley  
Project: Short-term effects of salpingectomy during laparoscopic hysterectomy on ovarian reserve: A pilot randomized controlled trial.
- 10/2010 Course faculty: 6<sup>th</sup> Surgical Masters Course, Laparoscopic Institute of Gynecology and Oncology (LIGO). San Francisco, CA.
- 2011-2012 Medical student mentor/preceptor: Cole Locklear, University of North Carolina
- 2011-2015 Resident mentor: Emily Davidson, University of North Carolina
- 2011-2014 UNC medical student lecture and small group discussion, lead quarterly. Endometriosis and chronic pelvic pain
- 2011-2015 UNC Reproductive Endocrinology and Infertility (REI) fellowship teaching faculty
- 2011-2015 UNC Female Pelvic Medicine and Reconstructive Surgery (FPMRS) fellowship teaching faculty
- 2011-2012 Resident research mentor: Lauren Riggins  
Project: Effect of extreme obesity on outcomes in laparoscopic hysterectomy.
- 2011-2012 Fellow research mentor: Erin Carey  
Project: Biopsychosocial correlates of persistent postsurgical pain in women with endometriosis.
- 4/2011 Course faculty: 7<sup>th</sup> Surgical Masters Course and Cadaver Lab, Laparoscopic Institute of Gynecology and Oncology (LIGO). San Francisco, CA.
- 9/2011 Course faculty: 8<sup>th</sup> Surgical Masters Course, Laparoscopic Institute of Gynecology and Oncology (LIGO). San Francisco, CA.
- 11/2011 Course faculty: Postgraduate Course; Laparoscopic Suturing: Practical Tips for Needle Management, Knot Tying, and Suture Use. 40<sup>th</sup> AAGL Global Congress on Minimally Invasive Gynecology. Hollywood, FL.
- 3/2011 UNC medical student Capstone Course, cadaver lab on pelvic anatomy

9/2011 UNC General Surgery resident lecture: “Gynecologic Surgery.”

2012-2013 Resident research mentor: Leslie Clark  
Project: Mechanical bowel preparation before laparoscopic hysterectomy: A randomized controlled trial.

2012-2013 Medical student mentor/preceptor: Patrick O’Shea, University of North Carolina

2012-2014 Resident and fellow research mentor: Sara Till and Kumari Hobbs  
Project: McCall’s culdoplasty at the time of laparoscopic hysterectomy: A pilot randomized controlled trial.

4/2012 Course faculty: 9<sup>th</sup> Surgical Masters Course and Cadaver Lab, Laparoscopic Institute of Gynecology and Oncology (LIGO). San Francisco, CA

9/2012 UNC OB/GYN resident lecture: “Management of Uterine Leiomyomas, Laparoscopic Myomectomy.”

9/2012 Course faculty: 10<sup>th</sup> Surgical Masters Course, Laparoscopic Institute of Gynecology and Oncology (LIGO). Atlanta, GA.

11/2012 Course faculty: Postgraduate Course; Recording, Editing, and Uploading Surgical Videos – Becoming an AAGL Star! 41<sup>st</sup> AAGL Global Congress on Minimally Invasive Gynecology. Las Vegas, NV.

11/2012 Course faculty: Postgraduate Course; Laparoscopic Suturing: Practical Tips for Needle Management, Knot Tying, and Suture Use. 41<sup>st</sup> AAGL Global Congress on Minimally Invasive Gynecology. Las Vegas, NV.

2013-2014 Resident research mentor: Elizabeth Jarvis  
Project: Pathology from coincidental appendectomy at the time of gynecologic laparoscopy.

2013-2014 Medical student mentor/preceptor: Danielle Orrey, University of North Carolina

2013-2014 Resident research mentor: Stuart Pierce  
Project: Accuracy of endometrial biopsy after endometrial ablation

2013-2014 Resident research mentor: Kari Hacker  
Project: Impact of extremes of obesity by all modes of hysterectomy

2013-2014 Resident and fellow research mentor: Sara Till and Janelle Moulder  
Project: Venous thromboembolism and large uterine fibroids implications for diagnosis and treatment.

2013-2015 Fellow research mentor: Janelle Moulder  
Project: Impact of warm-up prior to gynecologic laparoscopy among OB/GYN Residents.  
Project: Deeply infiltrating endometriosis increased the risk of appendiceal endometriosis during benign gynecologic surgery

2/2013 UNC OB/GYN resident lecture: “Complications of Endometrial Ablation.”

3/2013 Course faculty: 22nd Annual Workshop on Minimally Invasive Gynecology for Residents, Fellows and New MIG Specialists. Chicago, IL.

- 4/2013 Course faculty: 11<sup>th</sup> Surgical Masters Course and Cadaver Lab, Laparoscopic Institute of Gynecology and Oncology (LIGO). San Francisco, CA.
- 4/2013 Course faculty: 9<sup>th</sup> Annual AAGL International Congress on Minimally Invasive Gynecology. Cape Town, South Africa. Pre-congress surgical workshop.
- 7/2013 UNC OB/GYN resident lecture: “Laparoscopy and Common Complications.”
- 8/2013 Course faculty: Minimally Invasive Surgery Week Annual Meeting and Expo presented by the Society of Laparoscopic Surgeons. Washington, DC.
- 10/2013 NYU Department of OB/GYN research conference. “Impact of Obesity on Outcomes in Laparoscopy.”
- 10/2013 Course faculty: Annual Conference of the International Society of Gynaecologic Endoscopy (ISGE), in association with Indian Association of Gynaecological Endoscopists (IAGE) “Crossing all Boundaries in Gynaecological and Minimal Access Surgery.” Mumbai, India.
- 10/2013 Course faculty: 12<sup>th</sup> Surgical Masters Course, Laparoscopic Institute of Gynecology and Oncology (LIGO). Atlanta, GA.
- 11/2013 Course faculty: University of Cape Town Obstetrics and Gynecology Refresher Course, Women’s Health: Old Concepts, New Ideas. Cape Town, South Africa.
- 1/2014 Triangle Pelvic Health meeting. “The Role of Surgery in the Management of Chronic Pelvic Pain.” Chapel Hill, NC.
- 2014-2015 Resident research mentor: Emily Davidson  
Project: Optimizing ureteral jet visualization in cystoscopy following laparoscopic hysterectomy.
- 2014-2015 Resident research mentor: Chantel Roedner  
Project: Simulating laparoscopic vaginal cuff closure in resident teaching.
- 2014-2015 Medical student mentor/preceptor: Christina Alcaraz, University of North Carolina
- 2014-2016 Fellow research mentor: Tarek Toubia  
Project: Published 2016, Evaluating leiomyoma cells in a peritoneal wash during laparoscopic myomectomy with morcellation.
- 3/2014 Course faculty: Suturing Workshop, course director. 23<sup>rd</sup> Annual Workshop on Minimally Invasive Gynecology for Residents, Fellows and New MIG Specialists. Chicago, IL.
- 5/2014 13<sup>th</sup> Surgical Masters Course and Cadaver Lab, Laparoscopic Institute of Gynecology and Oncology (LIGO). San Francisco, CA.
- 7/2014 National Youth Leadership Foundation. “Minimally Invasive Gynecologic Surgery.” Chapel Hill, NC.
- 9/2014 Course faculty: ISGE Breakout, course director: “Hot topics in minimally invasive gynecologic surgery.” Society of Laparoscopic Surgeons (SLS) Minimally Invasive Surgery Week Annual Meeting and Endo Expo. Las Vegas, NV.

- 10/2014 Course faculty: 14<sup>th</sup> Surgical Masters Course, Laparoscopic Institute of Gynecology and Oncology (LIGO). Philadelphia, PA.
- 10/2014 Course faculty: International Pelvic Pain Society (IPPS) Annual Fall Meeting on Chronic Pelvic Pain, Basics Course. Chicago, IL.
- 11/2014 Course faculty: Postgraduate Course, Navigating Complex Surgical Scenarios. 43rd AAGL Global Congress of Minimally Invasive Gynecology. Vancouver, BC.
- 2015-2016 Resident research mentor: Michelle Louie  
Project: Clinical application of morcellation: provider perceptions survey (the CAMPPS study)  
Project: Levonorgestrel intrauterine device and hysterectomy outperform endometrial ablation: a decision analysis
- 2015-2017 Fellow research mentor: Victoria Vargas  
Project: Reported surgical volume trends in minimally invasive gynecologic fellowships.
- 2/2015 UNC OB/GYN resident lecture: “Choose your own GYN adventure: Ureter.”
- 3/2015 Course faculty: “Controversies and Challenges in Minimally Invasive Surgery.” 24<sup>th</sup> Annual Congress of the International Society of Gynecologic Endoscopy (ISGE) / 25<sup>th</sup> Annual Scientific Meeting of the Australian Gynaecologic Endoscopy Society (AGES). Melbourne, Australia.
- 3/2015 Course faculty: “Laparoscopic, Robotic, and Vaginal Approaches to Difficult Hysterectomy—A Surgical Tutorial on Strategies and Techniques.” 41<sup>st</sup> Annual Scientific Meeting of the Society of Gynecologic Surgeons (SGS). Orlando, FL.
- 5/2015 Course faculty: 15<sup>th</sup> Surgical Masters Course and Cadaver Lab, Laparoscopic Institute of Gynecology and Oncology (LIGO). San Francisco, CA.
- 7/2015 Course faculty: Fellowship in Minimally Invasive Gynecologic Surgery/Society of Reproductive Endocrinology and Infertility (FMIGS/SREI) Fellows Surgical Boot Camp, course chair. Florida Hospital Nicholson Center and Wyndham Grand Orlando Resort. Orlando, FL.
- 7/2015 UNC OB/GYN resident lecture: “Fundamentals of Laparoscopy.”
- 7/2015 Cedars-Sinai OB/GYN Resident lecture: “Thinking Outside the Umbilicus: Laparoscopic Entry, Port Placement, and Avoiding Complications in Complex Endoscopic Scenarios.”
- 7/2015 National Youth Leadership Foundation. “Laparoscopic Hysterectomy.” Chapel Hill, NC.
- 9/2015 Course faculty: ISGE/IPPS Breakout, course director: “Endometriosis and Pelvic Pain.” Society of Laparoscopic Surgeons (SLS) Minimally Invasive Surgery Week Annual Meeting and Endo Expo. New York, NY.
- 11/2015 Course faculty: Postgraduate Course: Post-Fellowship Survival Skills: Professional Development for Your Career in Minimally Invasive Gynecologic Surgery. 44<sup>th</sup> AAGL Global Congress on Minimally Invasive Gynecology. Las Vegas, NV.
- 2016- UCLA Medical student practice-based learning, lead monthly. Case-based presentations on endometriosis, ectopic pregnancy, hormone replacement and contraception.
- 2016-2018 Resident mentor: Nadia El-Fakih, Cedars-Sinai

- 2016-2019 Resident research mentor: Meena Misaal  
Project: Incidence of urinary tract infection after laparoscopic hysterectomy with dextrose cystoscopy compared to saline cystoscopy.  
Project: Postoperative urinary retention after gynecologic surgery.
- 2016-2019 Resident research mentor: Ben Harris and Morgan Barr  
Project: Improving patient understanding of uterine fibroid surgery and morcellation using video-enhanced intervention.
- 2016-2020 Resident mentor: Itai Ronen, Cedars-Sinai
- 2/2016 Course faculty: Issues in Pelvic Surgery XXIII. Vanderbilt University. Nashville, TN.
- 4/2016 Stainless Steel Surgeon: The Streamlined Laparoscopic Hysterectomy. Two Master Surgeons will perform their version of a safe, efficient and cost-effective conventional laparoscopic hysterectomy using two cadaveric models. AAGL Global Hysterectomy Summit: Expanding the Surgical Armamentarium and Optimizing Outcomes in a Value-Based Medical World. San Diego, CA.
- 4/2016 Course faculty: AAGL Global Hysterectomy Summit: Expanding the Surgical Armamentarium and Optimizing Outcomes in a Value-Based Medical World. San Diego, CA
- 4/2016 Course faculty: 15<sup>th</sup> Surgical Masters Course and Cadaver Lab, Laparoscopic Institute of Gynecology and Oncology (LIGO). San Francisco, CA.
- 4/2016 Course faculty: “Mastering Pelvic Pain: Strategies and Techniques for a Multimodal Approach.” 42<sup>nd</sup> Annual Scientific Meeting of the Society of Gynecologic Surgeons (SGS). Palm Springs, CA.
